

**The Future of English:
Global Perspectives
Extension**

Your language learning journey

- Choose a language you have learnt/ are learning
- Use the questions below and ideas from the lesson to write a paragraph describing your language learning journey.

1. Which language?
2. How old were you when you started learning it?
3. Why did you start learning it?

4. What did you find difficult about learning it?
5. Who or what helped you most with your language learning?
6. What would you still like to improve?
7. How will you do this?

The Future of English: Global Perspectives Extension

- First write your text in **another language you are confident** using.

- **Translate your text** into English

Share your journey with the class. You could:

- Prepare and deliver a **mini presentation**.
- Make a **short video** post for social media.
